

# IntaBiotech Ingredients

Lactoferrine<sup>and</sup> Colostrum

## Next Generation Challenges in Food & Nutrition

### Lactoferrine      Colostrum

Two well-known players in the Food & Nutrition sector  
but unexplored by most of the Industry.

We close the circle with advanced research and nutrition development  
To supply with the Top-Quality / Best-Source milk and whey  
to produce the highest performance Ingredients based on  
Lactoferrine and Colostrum
