

# TEANINE™

PURE L-THEANINE FROM GREEN TEA

## Nature's calm. Science you can feel.

The umami flavor of green tea comes from an abundance of L-theanine, a unique amino acid known to promote relaxation and mental clarity without drowsiness. Backed by science. Inspired by nature.

Promotes relaxation and a calm, alert state of mind.

Supports stress reduction and emotional well-being.

Enhances focus, attention and cognitive performance.

Naturally derived. Clinically studied. Backed by science.

### THE POWER OF L-THEANINE

**RELAXATION WITHOUT DROWSINESS**

Induces alpha brain waves associated with relaxation and a sense of calm.

**MENTAL CLARITY & FOCUS**

Improves attention and cognitive performance without stimulants.

**STRESS SUPPORT & WELL-BEING**

Helps reduce stress and supports emotional balance.

**NATURAL & SUSTAINABLE**

Sourced from premium green tea leaves using sustainable processes.

From ancient tea traditions to modern science — **TEANINE™** delivers the perfect balance of relaxation, focus and well-being.
