

# LLEGA EL CALOR

## HOT SEASON IS HERE

El aumento de temperatura acelera la eclosión, la aparición y la presión de insectos en materias primas vegetales almacenadas.

Rising temperatures accelerate hatching, emergence, and insect pressure in stored plant raw materials.

ARROZ · MAÍZ · FRUTAS SECAS · HARINAS · SEMILLAS  
RICE · CORN · DRIED FRUITS · FLOURS · SEEDS

## ACARISIN™ / ECO-EFF™

Tecnología mineral de apoyo en la lucha contra insectos y ácaros en materias primas almacenadas.

Mineral support technology for the fight against insects and mites in stored raw materials.

**Sin pesticidas**  
No pesticides

**Sin insecticidas**  
No insecticides

**Sin compuestos químicos agresivos**  
No harsh chemical compounds

**100% tecnología mineral**  
100% mineral technology

**PROTECCIÓN INTELIGENTE PARA MATERIAS PRIMAS VEGETALES ALMACENADAS.**

SMART PROTECTION FOR STORED PLANT RAW MATERIALS.

**ACARISIN™ | ECO-EFF™**
